

home resolutions

2017

WINTER

- change ceiling fan directions
- donate coats/holiday decor from the year before
- tighten loose knobs and handles
- vacuum areas that collect dust like air registers and refrigerator coils
- schedule AC service before spring/summer heat

SPRING

- clean and re-seal deck or porch
- inspect exterior paint & touch up
- get roof inspected for damage
- organize garage and garden shed areas
- deep clean interior of home, open windows for fresh air to flow

SUMMER

- clean out exterior dryer vent
- handle pest issues
- clean exhaust hood in kitchen
- check/replace batteries in smoke & carbon monoxide detectors
- host a neighborhood garage sale to rid your home of unneeded furniture/decor

FALL

- flush hot water heater & sediment
- winterize outdoor faucets/hoses
- stock for winter weather necessities like salt & a shovel
- get gutters cleaned out
- run gas lawn equipment until it's gone
- apply weather stripping to door/window leaks
